Observations... From Around Town

(BY JAY WHOZIT)

The boss tells us that Howard Le-Tissier the ex-president and Ted Robin, the new President of the Chamber of Commerce, went at length at the meeting the other night telling why the Oklahoma Football team did not accept the invitation to train here... all Howard said may be true... and too let's not forget North Carolina is one of the teams... true Louisiana may be giving them every thing for free... the truth of the matter is that in the last few years we have taken too much for granted... we are just not on the ball as we were when Boston College and Tulsa and the other teams were playing in the Sugar Bowl... we are catching the caboose instead of the engine... a little too much again of that nonchalant attitude... we are moving too late... and while on the subject of the Chamber of Commerce we understand there were over forty members present at the meeting Tuesday night... SWELL... if that spirit will continue to prevail much can be done if everyone will cooperate... at this meeting it was brought to the attention of the members present that the FREE ZOO is again in operation on Highway 90... moved over from the Louisiana side... the sheriff of St. Tammany Parish gave them orders to leave there according to the New Orleans papers and now we have them again, and in all probability we will again receive a lot of unfavorable publicity... doesn't help us... Fip, the last time we said that we thought you tolerated this because of inexperience... from the experience and unfavorable publicity of that time you should have received your education... the members of the Chamber of Commerce some forty strong voted Tuesday night that you be requested to close this operation, and we understand several business men have called on you to take some action... so far nothing has been done... it is up to you Bud... you are the sheriff... you still feel that you are interested in the welfare of your County... when you step out of that office three years from now you are still going to continue to live here... and like every Dad you are going to want your children to be with you and to have an opportunity here at home... and in order to realize this ambition we must build a bigger and better Hancock County... can't do it with ZOOS Fip... Yes sir, we're really taken on the Christmas spirit—ride around town with attest to that fact when you see the numerous decorated doorways and the indoor and outdoor trees... as for the business places, Ramsey's Department Store rates special mention as well as the show window of Fahey's Drug Store... just a reminder to the kiddies: toys will be distributed from Brother Peter's Christmas Tree at Saint Stanislaus Gym on Wednesday, December 22nd, while the Christmas Tree and show at Orthe Theatre will take place on Tuesday, December 21st, for all children up to the age of eleven... after several weeks visit here with his family and friends, Bishop Leo F. Fahey left this week to return to Baker, Oregon... while here the Bishop celebrated several Sunday masses at Our Lady of the Gulf Church, and spoke to students of St. Joseph Academy and St. Stanislaus... the WDSU-TV (Television) station will officially open with special broadcasts on Saturday, at 6 P. M., and several radio dealers in town have issued invitations to the public to view these broadcasts at their show rooms, so consider yourself invited... the Bay Tigers (Colored football team) play the Keesler Field Fliers, on Sunday afternoon, December 19th, at Stanislaus stadium for the benefit of Brother Peter's Christmas Tree, so if you want to see a good game and help a worthy cause be sure to attend... The Little Theatre will close their 1948 season this week, when they present "John Loves Mary," a splendid comedy attraction, at their playhouse on Boardman Avenue, Thursday, Friday and Saturday... now that the football season has officially ended, our local schools have started the 1948-49 basketball season, with several games already played and to be continued in full swing after the Christmas holidays... all the city schools begin their Christmas holidays today, and will remain closed until after New Years, resuming classes on January 3rd, giving the students more than two weeks to celebrate the Yuletide season... many cities have gone in for the idea of a community Christmas Tree, usually located in a park or in the business center of town, an idea which we think is very good and which helps to create better Christmas spirit among the citizens and business places... we sure hope that the meeting last week of Mr. John D. Smith, Highway Commissioner and others, with the Chamber of Commerce committee and the Board of Supervisors, will bring some results and that something will be done after the first of the year about

Dan Russell Named Director Economic Council

Mayor Elect Warren J. Carver and Dan M. Russell Jr., prominent young attorney of Bay St. Louis represented the Hancock County Chamber of Commerce at a meeting in Jackson, Miss., on December 10, 1948, held for the purpose of organizing the Mississippi Economic Council.

Mark Solomon Injured When Truck Strikes Tree

Mark Solomon has recovered from injuries sustained last Tuesday when the truck he was driving struck a tree on the Second Street road between Gulfport and Pass Christian.

Mr. Solomon suffered bruises of the hands and face, and the truck, property of the Adams Hardware Company of Gulfport, was a total wreck.

It was said that the heavy rains of that day caused the cars to splash water on the windshields of oncoming vehicles and Mrs. Solomon, fearing that a car might hit the truck, pulled over to the side of the road where he struck the tree.

repairing the beach road, this is certainly one Christmas present we would enjoy "finding in our stockings"... we want to take this opportunity of complimenting the L. & N. R. Co. for the installation of the new signal lights at the beach crossing and for the removal of the unsightly little shack that has stood there for so many years, it is quite an improvement.

Mr. LeTissier stated that to be a scout a boy must do at least one

good deed a day and since Cyril had been a scout for six years he had done 2190 good deeds as a Scout.

There were quite a number of Pass Christian and local parents and friends out and there was a keen appreciation shown of the splendid program.

To Citizens, Voters and Property Owners Of Waveland, Miss.

At the last meeting of the Mayor and Board of Aldermen held December 7th., 1948, a motion was made by Alderman C. B. Mollere and seconded by Alderman R. G. Hubbard, Jr., to reduce my salary from \$135.00 per month to \$85.00 per month. The only reason, as stated by C. B. Mollere, that the Marshal was not performing police duty — This is not in accordance with the fact, since everyone in Waveland knows I am available 24 hours a day at my home No. 123 Coleman Avenue and my telephone No. is 686-W. This is spite work and politics and is low in character, since it effects my wife and family more than it does me.

As you people elected me to this office, I want the citizens and voters, as well as all property owners to believe me when I herewith solemnly promise to perform my duties of Tax Collector and Town Marshal as effectively in the future as I have in the past, and in the mean time I am proceeding legally to have my salary established in accordance with the Town Charter, and not kicked around by peanut politics.

Keep your eyes on the Sea Coast Echo for more peanut politics by your present administration, as I intend to expose them fully.

THE NEW NORGE GAS RANGE

Here's a diagram of the "Concentrator" burner... biggest improvement in Gas ranges since the era of "high ovens"! It provides faster, more efficient, more economical cooking heat. The holes in the burner direct the heat so that it goes inward beneath the utensil... swirls around beneath the utensil bottom... then travels outward toward the edge.

This swirling, in-and-out flame wastes no heat around the sides of the utensil; practically all of it is used to cook food.

Ultra-smart styling... new, work-saving features... quality craftsmanship through and through! This is the range you'll be proudest to own, whether you're furnishing a new dream kitchen or dressing up your present one. It's yours for an easy down payment and monthly installments.

ORTIE THEATRE SUNDAY - MONDAY "SORRY, WRONG NUMBER"

Paramount's New Drama With Barbara Stanwyck And Burt Lancaster

There are only three requisites for those contemplating a visit to the Ortie Theatre where Paramount's run. They are love of a gripping "Sorry, Wrong Number" begins its story, love of fine acting—and super-strong nerves.

"Sorry, Wrong Number," co-starring Barbara Stanwyck and Burt Lancaster, is Lucille Fletcher's filmization of her own great radio suspense play. The half-hour network show was re-broadcast seven times for the benefit of millions of thrill-seekers; it is doubtful whether the soundest heart could take that many showings of the film, for the authoress has expanded her original theme into an hour-and-a-half of the most breath-taking suspense the screen has yet offered.

"Sorry, Wrong Number," a Hal Wallis-Anatole Litvak production brilliantly directed by the latter, is a radically different treatment of movie murder mysteries. It lets you in on the murderer, the victim, the time of the murder, and then proceeds to chill and thrill with a series of phone calls which, with mounting tension and terror, lead up to the actual slaying.

"Sorry, Wrong Number" begins its spine-chilling with the opening scene, when Leona Stevenson, a bed-ridden neurotic superbly played by Barbara Stanwyck, accidentally overhears a murder being plotted over the phone. Unaware of the victim's identity, her concern is sincere but objective, as she tries in vain to get the police interested. But her horror increases with each mysterious call that follows, calls that bring the murderer plot into shocking focus and reveal the frightful knowledge that she is the woman marked for a brutal end. She never quite answers the final call—the killer does that with a terse "Sorry, Wrong Number."

Burt Lancaster turns in another strong performance as Miss Stanwyck's long-suffering husband whose nefarious scheming to escape her domination leads directly to her slaying. Also importantly cast in "Sorry, Wrong Number" are Ann Richards, Wendell Corey, Harold Vermilyea, Ed Begley and Lief Erickson.

OYSTER SURVEY STARTED BY U. S. PUBLIC HEALTH SERVICE

Since the blacklisting of the Mississippi Oyster Industry by the United States Public Health Service, papers explaining proper measures taken by the sea food industry of the Mississippi Coast in preparation for the reopening of the local area to Commercial Oystering were recently sent to the United States Public Health Service in Washington.

George Carmichael, sea food inspector for the Mississippi State Board of Health, reports that two inspectors from the Federal service will visit the Coast this week to determine if the public health measures now in effect will warrant the replacing of the Mississippi industry on the list of cysatering areas approved by the public health service.

From Hancock County, Colson Sea Food Company of Waveland has applied for federal approval for out of state shipment.

All persons or businesses in Hancock County handling oysters are warned by the local health department to buy only from approved sources and to keep all unused stock in the original container showing shippers name and state permit number.

MOTHER NATURE

Eats Metal...

Nature wages a continuous battle against metal structures buried underground. Chemicals and electric currents in the soil tend to break the metal down into rust. Rust spots on natural gas pipe lines soon become leaks, resulting in lost gas, lowered pressures or interruption of service. All of this can be minimized or prevented with "cathodic protection" or other proper corrosion control.

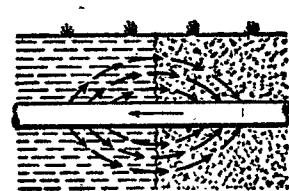

With over 6,000 miles of transmission lines, United Gas is one of the leaders in this field. This is one of many functions of the United Gas organization...all of which have the ultimate purpose of assuring a more dependable supply of natural gas to our customers.

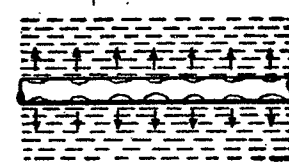

UNITED GAS ...

Serving the

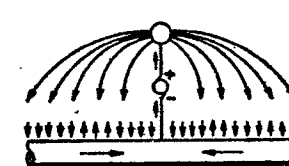

Gulf South

Cathodic protection is used to combat an oddity of Nature—the corrosive effect of natural electric currents traveling between the soil and any buried metal structure.

Corrosion cannot occur where these currents flow into metal, but does occur where they flow out of metal.

Cathodic protection units on natural gas pipe lines force a flow of direct current through the soil to the line, thus preventing the movement of stray currents out of the metal. They are drained off through a conductor where they can do no harm.

Woman's Society Christian Service Meeting

On Thursday, Dec. 31st at 3 P. M., the Woman's Society of Christian Service will meet at the home of Mrs. A. J. Noto, 213 State St.

million bales. This will make a total of about 13 million bales used here and exported, leaving a carry-over next August of about five and one-half million bales.

If in the 1949-50 season, the United States cotton acreage, normal yields would give a crop of 13 million bales. Under such conditions, acreage allotments and marketing quotas would be proclaimed in 1950.

If farmers substantially increase cotton acreage in 1949 and yields are favorable, the resulting large crop might have a bad effect on the cotton situation for the next several years.

In livestock, more pork and less beef is in prospect for 1949. Livestock production should continue to be profitable in 1949 despite recent breaks in livestock prices.

Buying cattle to feed will carry the most risk. Hog prices should continue relatively high in the first half of 1949, dropping more than normal during the latter half because of increased marketings.

The dairy outlook will continue favorable in 1949. Lower feed costs probably will more than offset increases in other costs, resulting in a little larger net income to dairymen than 1948.

In poultry, gross returns from sale of products probably will be slightly lower than 1948; but lower feed costs should result in higher net incomes. Many farmers and back yard poultry raisers will rush to get back into the poultry business. Go' back only on a sound permanent basis, economists caution.

Commercial truck farmers may receive slightly lower prices in 1949 because of increased production, but the demand is expected to continue strong. Forest products prices are expected to continue about in line with 1948 prices.

Fertilizer prices are not expected to be cheaper and may be higher. Supplies of fertilizer will be more plentiful than for several years.

Supplies of fixed fertilizer goods should be adequate. Phosphate supplies may not be sufficient to meet demands. Nitrogen supplies will be about 10 percent above 1948 supplies, but will not meet the demand. The same will be true of potash supplies.

Farmers should anticipate their fertilizer needs now and get it whenever they can get delivery.

Prices of new farm machinery, repair parts and motor fuel will remain high.

Farm real estate prices are the highest in history, the average farm value on July 1, 1948 being 142 percent above the 1935-39 average. Be very cautious in buying farm land at present prices with prospective decline in prices of farm products and net income, especially if going into debt for half or more of the purchase price, economist urge.

PETITION FOR PARDON

STATE OF MISSISSIPPI
COUNTY OF HANCOCK
To His Excellency Fielding L. Wright,

Governor of the State of Mississippi and

Pardoning Board

We, the undersigned residents and citizens of Hancock County, Mississippi respectfully petition your Excellency to, pardon Floyd Smith, who is now serving a sentence of two years for grand larceny (plead guilty). He was sentenced by the Circuit Court of Harrison County, Mississippi in June, 1948 and now confined in Camp 6, at Parchman, Mississippi.

Floyd Smith is twenty-nine years old, married, and has four young children.

He was in company with some other young men, who took an automobile, and the leader of the young men was tried, convicted and sentenced to serve a term of five years. This is the first trouble this young man has ever been in, and has been a good moral citizen, and a good husband and father.

This young man's father, Ford Smith, is an old resident of the County, a good farmer and one of our best citizens.

We believe that this young man has been sufficiently punished for his offence and should be pardoned. He realized his wrong, and aided the State in prosecuting the one mainly responsible for the wrong doing. We feel satisfied he will never again participate in any wrong doing.

We respectfully urge his pardon so he may return home and care for his wife and children. We believe justice has been satisfied.

Respectfully submitted,
LUCIEN M. GEX,
ED. P. ORTIE,
ROBERT GENTIN,
PAT RUTHERFORD
AND OTHERS.

Piano Recital Presented By St. Joseph Music Pupils

Modern trends in education emphasize the importance of music in brightening the child's daily activities both at home and at school. The S. J. A. music students, under the direction of Sr. Antoinette, stressed the fact that "Music Hath Charms" and impressed their audience with their progress.

Major Scale takes Command over his battalion of chords, and with his Lieutenant Minor goes out on a search at the request of her highness Princess Melodia. At first the audience is baffled by the strange desire of the Princess to have children brought to her from the South, from Italy, China and Spain and she even asked for a fairy. When Major Scale completes his mission successfully and returns to the castle with the children and two fairies, the audience is pleasantly astonished at the wonderful entertainment supplied by the ladies in waiting and the children. Princess Melodia, in return, played for her subjects. The cast of characters follows:

Major Scale - Commandant of Castle Harmony - Jeanne Turpen
Lieutenant Minor - Junior Officer Jackie Luce
Princess Melodia - Ruler of Castle Harmony - Susan Smith
Lady Andantino - Jackie LaNasa
Ladies-in-Waiting - Lady Allegretto Ann Poupart
Lady Glissando - June Rittner
Children of the Past - Katherine Turpen, Eslander Guillot, Eugene Jacobs, Jennell Mitchell, Noleen Ladner, Nell Scott Harbert
Children from the South - Sandra Lee Thompson, Florence Morris, Ollie Morris, Anna Maria Fasco, Barbara Ann Demoran, Judy LaNasa, Jerry Bertucci, Carol Sue Kenworthy

From Italy Ellen - Katherine Turpen
Theresa - Eslander Guillot
From China Ching Lee - Barbara Hanson

Jen Choy - Dorothy Larroux
Dolores - Ann Schmidt
From Spain Inez - Ruth Thibaux
Mercedes - Barbara Flink
The Fairies - Sprites - Judy Henderson, Barbara Thompson

Everybody attending enjoyed the program, for it illustrated the music of people and made evident their distinct characteristics. The costumes were typical, and the stage setting in keeping with the theme.

By-gone Days

By Udel Favre

FEBRUARY AND MARCH 1897

—Mr. L. Olivari visited New Orleans on business.

—Mr. and Mrs. J. J. Green announced the birth of a son.

—St. Stanislaus College had a total of 140 boarders for the 1896-97 term.

—Miss E. M. Gex visited relatives in New Orleans.

—Miss E. Spoto returned from a visit to New Orleans.

—Rev. Father Alphonse Kettels, assistant pastor, left on February 13, for Belgium, Europe, via New York, where he went in search of better health and on a visit to his parents. He expected to return by the latter part of May.

—The infant daughter of Mr. and Mrs. Louis Spoto was baptized at the Catholic Church. The sponsors were Dr. and Mrs. Rice of New Orleans, and the little one was named Judith Amelia.

—Walter Gex left his college studies to study law at Tulane College in New Orleans.

A little note that follows and appeared in the Echo in 1897 can well be applied to towns of today "Towns are generally sized up from the patronage that their business men give to their local paper. If they have no ads in their paper, people say at once "a dead town."

—Mr. L. Leonhard and daughter Mrs. Boardman spent the week here.

—The Carroll Avenue home of Joseph Gager was nearing completion.

—Mrs. M. A. Engman, wife of the late P. Engman and mother of Robert C. Engman and Mrs. E. E. Jordy died. Her death was

During the month of November there were 32 births, 7 deaths and 3 still births, according to Mrs. Eugenia Alliston, Hancock County Registrar.

Of the births, 28 were white and 4 were colored, with 5 white and 2 colored deaths. The 3 still births were all white.

Twenty six of the births occurred in the local King's Daughters and Sons Hospital, with 2 of the still births also occurring in the hospital.

Among the deaths heart disease accounted for 2, cancer 1, and apoplexy 2. Two deaths occurred without medical attention.

Rockchaw Cagers Meet Kiln Here Tonight

The St. Stanislaus basketball quintet open their season here tonight Friday, Dec. 17, against a fast and experienced Kiln squad.

The Rocks squad started out 55 strong, but the roster has been cut to 15. At the end of last season the locals were sure-fire to be stronger than every, but injuries and withdrawals have cut deeply into first string manpower. Center McClure failed to return this year, and this week Levy Ladner fell and pulled his shoulder muscles. He is out for at least 4 weeks. Mickey Dolan's lame leg, hurt in football, may hold out and may not.

The schedule is as follows:
Dec. 17 — Kiln, here
Jan. 11 — Notre Dame, there
Jan. 18 — St. Martin, there
Jan. 21 — GCMA, here
Jan. 25 — Picayune, there

Miss Marie Aline Tudury And William R. Johnson Married Saturday At Nuptial Mass

Miss Marie Aline Tudury, daughter of Mr. and Mrs. Henry Tudury of this city, and Mr. William Robert Johnson, son of Mr. and Mrs. W. R. Johnson, Bay St. Louis, were quietly married on Saturday morning at 9 o'clock on December 11, 1948, at a Nuptial Mass at Our Lady of the Gulf Catholic Church, with Rev. Father Edward P. Desmond, as celebrant. The bride, given in marriage by her father, wore a dress of grey taffeta, with a small pink hat and pink gloves, with a corsage of pink rosebuds. She had as her only attendant her sister, Mrs. Charles Benigno, who wore a blue crepe dress a gray hat and gloves and a corsage of yellow rosebuds. Mr. Johnson had as his best man Mr. Sterling Sharp. Following the ceremony a small informal reception was held at the

COMPLETES COURSE IN TELEVISION

BONNY PHILIBERT AND EMMETT DEMORAN—In order to fit their representatives to service and install, television the Philco Radio Company held a school of instruction under the direction of Mr. Bonny Philibert, for the past two weeks at Walters Brothers, New Orleans, Philco Distributors. Attending this school from Bay St. Louis was Emmett Demoran, owner of Demoran Radio Service. Mr. Demoran completed the studies assigned in the school and says that he will be in a position to offer to his customers a service in television.

He is a graduate of the Radio Institute, Washington, D. C., and has been in business here since 1941.

home of the bride's parents with only the members of the intimate families present. The bride's table was artistically arranged with pink roses and fern, and a three tiered wedding cake, topped with a miniature bride and bridegroom, centering the table.

The couple left Saturday night from New Orleans by plane for a trip to Houston, Texas, and upon their return will be at home at 108 Washington street.

The bride is a graduate of St. Josephs Academy and has been employed in the local office of the Southern Bell Telephone Company for several years. Mr. Johnson is with the Merchants Bank & Trust Company here since his discharge from the service. He served three years in the United States Army thirteen

months of which were spent in Germany. He is a graduate of Saint Stanislaus.
